

CALL OF THE KINGDOM

Our Elder Brother And Vast Family Of Son's

Part 2

Revelation 19

They ride on white horses,

A sword in their mouth

And in righteousness

They do judge and make war

Their eyes a flame of fire

On their heads many crowns

Their vesture dipped in blood

Their name is the Word of God. (repeat)

Bobbie Mcnail 11-3-2001

That song was given to Bobbie on her birthday, and is so majestic, I thought an angel was singing it. And she is an angel, and you will agree when listening to her sing this anointed song.

As this manchild comes into full manifestation, all creation will see emancipation from earth's throes of death.

Beloved, we are on a new frontier in the Spirit of our Father, and His Son. Let your relationship with your Bridegroom be spiritual, not churchy! You are married to Him, so love Him and commune Him and kiss Him and embrace Him for long periods of time. Come to know Him intimately in holy matrimony. If one is flighty in these areas it will amount to little. But let Him catch you up, up, up into Himself, making you one in Himself who is ONE. There experience the majestic unfolding of Himself where there

is unfamiliar "abundant Life" in His New Name, which is the "Word Of God." You have immeasurable promises with status content, unlimited and running over with God-likeness. You are partakers of His essence, His substance. The Spirit is given us for communion on a higher plane of enlightenment with our Father. So delight yourself in Him on this new plane of loveship!

Jesus "many brethren" are coming out of the spiritual "dark ages." For centuries sporadic light fell on the dwellings of believers. They also partook of partial truth, while they put on the "first fruit" dimly lit garment of Pentecost. Which garment has been worn for 2 thousand

Years. In this "Great Day Of The Feast," the Lord is leading us into His "face to face chambers." There to impart giant strength to His "many brethren" refining them into His own Spirit likeness, tuning them into ONE with Him, and Father.

The spiritual disability that is gripping Christian churches from pulpit to pew is looked upon as the norm to the unenlightened. Christ mindedness and mans opinions of what scripture teaches are poles apart! What the Father is speaking through the Christ minded today contradicts most of today's preachers and teachers of scripture. He is revealing to us much more than Jesus in His incarnate form. And that is, in us "dwelleth all the fullness of the Godhead bodily," the

Whole Christ, both Head and body. Brethren, we are next of kin to the Godhead. Let every island (every independent spirit) flee away!

There is the new birth of an age, or ages taking place. The nations are trembling and surging in the throes of its birth. When this new proclamation is completed, it will give the earth freedom. Man always sees dimly in the present what is great and small, so he always looks back to determine it after the fact. This new truth from the Holy Spirit is recreating, He is mobilizing the saints for new crownings. As the whole Christ, both Head and

many brethren body, your present inheritance is illumination from the illuminate Father! Your words will be set ablaze to burn in the ears of the hearers. For your speaking is of His composition! We cannot let another generation remain in darkness, for our Father illuminate is setting the golden trumpet to our lips.

Father is setting our hearts ablaze too with the revelation of the corporateness of His Christ. And

Spiritual sight is far far greater in comprehension than is physical sight. No wonder He said, you would not need the sun or the moon to give you light. And the sun would be darkened and the moon would not give her light. You have been begotten of the Spirit, and He is your light.

New voices are emerging in the body of Christ to give it new breath. Baptism into God's new advancing kingdom will seal you in the forehead with His new name, imparting to you the spirit of praise, worship and singing in dimensions where man cannot intrude. This will amplify to the Father the exhilaration of the sons within the Son who is One. God's advancing kingdom is making way for all the world to enter into His loving grace! The glory that the apostles predicted that was to follow Pentecost is upon us. Our elder Brother is bringing His many brethren into the same glory and stature He has in the Father. The glory of God filled the upper room on the day of Pentecost and was visibly seen and they heard it with their ears, even the critics. But today his glory and presences is here to fill all the earth as the waters fill the sea. And all people shall hear and see the manifestations of His almighty presences.

The Father has endowed us with a completely new heavenly dimension of functioning. We are living in a new day wherein everything will be transformed by the word of God. Even the environment that has been drastically polluted by man. I see many are ready to be transfigured in new anointing and

fervency, even an anointing on a higher dimension that is new and lasting!

Truth shall prevail and save all the earth! We have entered into a great new era, wherein everyone is to make choice, even entering into the greatest day of TRUTH since the beginning. For eons now darkness has captivated and held supremacy over the minds of men. This diabolical force is still exerted on human thinking and decision making through the manifestation of multitudes of persuasive speaking false prophets of Babylon, that prevailing theological system called "The Church."

Falsehoods have ruled in men's minds, while truth has been locked up in dungeons of their hearts. Now truth is breaking the chains of darkness and bursting upon the minds as the "Sun of righteousness" sets men's spirits free. As "messengers of light" these afore mentioned unregenerate minds have held captive multitudes who have submitted unto their church authority.

This is called in Revelation, "The Mark Of The Beast." Today God is revving up the "Battle of Armageddon. Armageddon will bring all conflicts, and falsehoods in and out of the church to an end, for God and His Christ are arising in "saviors on mount Zion to judge the mount of Esau, and the kingdom shall be the Lord's." Obadiah 21. And the "seven angels having the seven last plagues" are come out of the temple to pour out plagues.

The dark ages of men's minds have obscured truth., now truth is being restored and that which supplanted truth (Christ) is being "gathered into bundles to burn," And God shall become "All in all."

Truth is absolute! All that the five senses knows equates to earthiness, and is mortal. All in the natural that you are familiar with is perishing. Even the true you is not your physical body. Immortality is consciousness that conforms to our true origin. Man must explore his upper level of awareness, and not remain on the lower level of mortality. All that mans sense intoxicated

spirit knows is in the context of earthiness.

Things seen are mortal while the unseen is eternal. 11 Cor.4:18. There are seen realities but they are materials of mortality and perish eventually. Jesus said to the disciples, ho do men say that I the Son of man am" Peter answered,"Thou art the Christ, The Son of the living God: And Jesus said, Thou art Simon Barjona: for flesh and blood has not revealed this to you, but my Father which is in heaven. And I say unto you, that thou art Peter, and upon this rock I will build my church; and the gates of hell shall not prevail against it." Matt. 16:16-18.

Jesus was not verbalizing anything that can be seen. But of the Rock-Christ, that experiential knowledge of Christ and God. Rock speaks of unshakable Truth, or Christ. Jesus spoke of a wise man who built his house on a rock, and a foolish man who built his house on sand. The wise Man is "Christ in you." He is building on the reality of Truth with the conscious knowledge of his origin. The foolish man is the mortal man building his house on the sand of his five senses. All spiritual realities are found within.

You were not physical before coming into a body, nor are you now, but you believe you are. Your physical person is one thing, while your concept person is another. One is mortal the other immortal. The fall of man was his consciousness of being "drove out"into a mortal body. Gen.3:24. So he was driven out into flesh, or sensory perception.

Father's purpose is unfolding and He will keep his own aware to events as they unfold. Sensory knowledge does not gain any ground in spiritual truth and reality. Man lives in a body of sensory knowledge, the place where he was committed by God who drove him out of Eden. So the spirit man became veiled in a physical body. And every man is now surrounded in matter.

Men preach from Genesis to Revelation and never preach the "Good News." The good news is not condemnation, good news

is life. Life is not types and shadows. Those only point to the Christ, but never reveal Him. They are "shadows of things to come." Good news is life which is incorruptible. All that you see and hear daily is not incorruptible. Knowledge and facts amassed by mans sense organs is not good news, it is corruptible. Religious Babylon has amassed a world of libraries that have mortal, corruptible knowledge, but it is not the "Good News," it is corruptible, and mortal.

All not built upon the "Foundation Rock," Jesus Christ the "Stone of Israel," Gen.49:24 is not "eternal, invisible, immortal, the only wise God." 1 Tim.1:17. The Bible is quoted, read, and preached, yet they have not the Word living and residing within them. Some of those who have come out of structured Babylon are still carrying its concepts. But the Word of God spoken by the "manchild" shall like mountainous tidal waves wash all opposition away until full restoration of Truth is upon the Rock. All upon that rock will not be shaken in this day of shaking. All that is mortal, corruptible will be shaken. Heb.12:256-29. All false concepts will fall away as truth is restored in Spirit. As Christ is the unshakable Rock of Truth, our entire system of inner consciousness must assemble on Him. One seeing the basic fact of his existence will never sleep, but be awake forever.

Our inner world is on another plane, spiritual. Your and my responsibility is to find the way to explore this upper level of awareness. The Christian has to overcome the erroneous beliefs about himself. They are things that bind, like works, and will be destroyed. Father is calling His own today to participate in Christ's priesthood beyond the voice of a prophet, deep in the inward way of the holy of holies. This priesthood is responding to Father's call, and beyond the bustle and clamor is a new sound, it is brand new, though it comes out of eternity. And was in the "beginning with God," it is new to earths environment. This word puts an end to mans works and activities, behavioral attitude of righteousness.

The Father's house is many and yet one. He chose one man to be His house, yet the one is many mansions. The "manchild" is Christ, who is many members. Christ has appeared and caught up His brethren in Himself, yet He remains on earth in His body, living its life.

Here is a mystery that is of necessity for God's people to know during the perilous times that are immediately ahead on earth. The mystery is hidden in this verse in John 6:63: "It is the spirit that quickens; the flesh profits nothing, the words that I speak unto you they are spirit, and they are life."

The word "quicken" is old English, and means, "to give life," or "that gives life," or the "source of life," and to "vivify."

So Jesus is saying here "It is the spirit that gives life." Or it is the spirit that is the source of your life." Jesus is talking about your spirit being joined to the Lord as one spirit. Your born again from above "of the incorruptible seed, by the word of God," spirit that is the source of our new life in Christ. It is your "born from above" spirit that is the Son of God within you. There is not two spirits living within your body; your own spirit and the Spirit of Christ. The spirit of Christ within you is your spirit that has been "born again of the incorruptible Seed, the Word of God, that lives and abides forever." 1 Pet.1:23. That is the New Creation Man in Christ, he is the Son of God. Who through the unction and anointing and the teaching of the holy Spirit, is growing up into the mature likeness of His Father God.

Every human being has a spirit, 1 Cor.2:11, and may have the spirit of God 1 Cor.2:12, a man may be absent from the body while present in spirit. 1 Cor.5:3, and may manifest qualities of spirit. Eph.1:17. Paul said, "If I pray in an unknown tongue, my spirit prays, but my understanding is unfruitful.

What is it then? I will pray with my spirit (his born again, divine nature spirit 2 Pet.1:4), and I will pray with the understanding

also: I will sing with the understanding, and I will sing with the spirit also."

Then he says, "Thou shalt bless with the spirit," 1 Cor.14:14-16. Also, "God is my witness, whom I serve in my spirit in the Gospel of His Son, that without ceasing I make mention of you always in my prayers." Rom. 1:9.

So the "manchild" will exercise all these attributes, and greater in the Spirit of the Father. The manchild whose Head is Jesus Christ is participator in His high priesthood ministry. Having the same care for all humanity as He, their Head. These are the "two olive trees," and the "two anointed ones who stand before the Lord of the whole earth." Zech.4:3, 11, 12, 14, Rev.11:4. These having selfless love will "prefer others before themselves." The Father gives them "authority over all flesh," and all assumed authority, religious or civil.

"This is the word of the Lord unto Zerubbabel, saying, not by might, nor by power, but by my spirit, saith the Lord of hosts."Zech. 4:6.

The "manchild" moves by the nerve center of God, and his many members disarm themselves of everything save the arms of love. As Jesus they will conquer by their suffering love! They will look with eyes of love on everything and everybody they see. Jesus faced His enemies with no arms but love and compassion. We must have no arms but His! When Father draws us to Himself, He empties us of our humanity. In Christ is concentrated all the extravagant love of the Father. Jesus is the centrality of all who constitute the "manchild" body. Many have come into your midst who have not the centrality of Jesus Christ as Head. But these are "wondering stars," who have not His anointing, but a soulish inspiration, derived from selfhood.

The Spirit weaves into the fabric of our beings the truth of our being participators with Jesus from the cross to the throne, as He communes His divine life to us. All divine truth is ours when

it is wrought within us, and tunes us into harmony with itself. You rise to higher heights of spiritual life as you sink your tap root deeper into the pure life of the eternal Godhead. There is a process of growth to maturity in Christ. We mature as we hunger in the ever deeper life and communion and union with Christ. The Lord will only possess us wholly when He is supreme in our lives.

If you are sick of hollow mockeries, and weary of spiritual shams, a new day is open to you. You that have been in crushing's, and struggling with a sense of failure for the lies told about you as has been on some of us here in the central California area for the past three years. And everyone has turned against us because of it. The Father is ready to reveal to you overcoming life in Christ the Lord. As we come under the blinding floodlight of Father's Spirit, self love in all its harmless gestures, and secret forms is nauseating. Many times God's people do all the right things outwardly, while harboring rebellion inwardly. Or harbor rebellion inwardly, and justify themselves by doing outward things.

Our life is not an imitation, it is an incarnation, even an intimate participation in Jesus divine life, in His high priesthood ministry. This is where we reign with Him in the nasty now, and it is in the Spirit of Christ. "Not by might nor by power, but by my spirit, saith the Lord of hosts."

As Jesus "many brethren," the body of Christ, we are the containers of the One God of the universe. In our innermost being we are spirit, just as our Father is Spirit. Jesus expresses His love through us. Our desires are fulfilled by being "as He is," living as He lives, loving as He loves.

Our Father is the All in us. He is the One who prays, loves, gives witnesses in and through us. He lives His holy, immaculate sinless life through us, in us. He lives our lives. The Vine and branches are one, one life, both Head and body, one tree, one

person.

Once one sees the vision of Christ, he will see the body. The Head is not separate from the body, they are one spirit. Though in seeing the body in its true perspective, you sense a cost that must be paid. Seeing the body in its true networking of life, you sense the price of responsibility. The body of the Lord is a close knit family requiring the responsibility of every member, just like your physical body. If one member of your physical body shuts down, there comes a severe strain on the rest of the body. Especially so with the more vital organs malfunctioning. Brokenness is the true requisite for seeing the Lord's body and responsibility of edifying to the building up of the saints.

I just received a revelation from the Lord in our participation with Him in his King Priest ministry. In late October, I got a cold virus, and had it for nearly a month. One night laying in bed, the Spirit of God began interceding in prayer through me, and shortly I heard arguing and fighting. I immediately knew that it was the Taliban in Kabul. Then the scripture came to me: "The weapons of our warfare are not carnal, but mighty through God to the pulling down of strongholds; casting down imaginations, and every high thing that exalts itself against the knowledge of God. Bringing everything into captivity every thought to the obedience of Christ. And having in a readiness to avenge all disobedience when your obedience is fulfilled." 11 Cor. 10:4-6.

Then I heard, "Come down stronghold of Kabul, in the name of Jesus Christ the Lord." I was realizing that this was a fierce battle in the spirit realm as well as physical. I knew that my submission, and abandonment to the Spirit was the gravest of importance for God to work affectively in me. Then I heard, "Victory is assured." This was the 9th of November. Then listening to the worldwide news, it was confirmed to my questionings that it had gone as I had heard, and experienced. I just praised and worshipped God for the victory was His.

Then the following days as the Northern Alliance in Afghanistan , and our American troops closed in on Mazar-e-Sharif and city after city, it was similar in every case. In each participation, at the end, the words were: "Victory is assured!" This was a depth in the spirit as I had never participated. It was coming to me that we participate in Jesus Christ's ministry. It is not so much us, but Him bringing down "strongholds" through us. "He that can receive it, let him receive it."

Then came the battle of the warriors taking of Kandahar. It was a fierce struggle, and I heard, "Down stronghold of Kandahar! Come down in Jesus name! And as I praised Him, in love and adoration, I heard the words, "Victory is assured!" And it was such a consolation to know that God even does His work in us to achieve His ends in the kingdoms of men. This was so new to me that I was in awe. I had never heard anything like the al-Qaida warriors in fear and consternation, arguing and fighting among themselves when they knew their end had come. It seemed that I was there, close by listening, and interceding in Jesus.

Beloved, the war on terrorism, and the defense of America is not over, the Muslim spirit is in all probability the strongest ever. And will be won not by flesh and blood fighting, but by those who participate with Jesus in His high priesthood ministry in the Spirit of intercession for righteousness to reign. "He is able to do exceedingly abundantly above all that we can ask or think, according to the power that worketh in us." Eph.3:20.

Our very frames of mind is governed by Him as He possesses us by His Spirit. Your prayers will also have such force and power that you will laugh at impossibilities. Being participators of the "first resurrection," we also laugh and sing as He embraces us to His bosom. And we lay our head on Jesus shoulder, and learn of Him. Trying to imitate Christ will not energize me with Christ life, it comes through Christ residing within, and coming to know Him comes as we participate with

Him in His divine nature.

"Thus speaketh the Lord of hosts, saying, Behold the man whose name is The BRANCH; he shall grow up out of his place, and he shall build the temple of the Lord: Even he shall build the temple of the Lord; and he shall bear the glory, and he shall sit and rule upon his throne (a king); and he shall be a priest upon his throne: and the counsel of peace shall be between them both." Zech.6:12, 13.

Jesus said that He was the "Vine, and you are the branches." And this "man" of many members is participating with the "Vine," for He and they are the whole Tree. Christ is the "Tree of Life!" John 14:6.

The first fundamental truth of importance Jesus would have us learn is, make a clean break of all prepossessions of nominal and traditional church learning. All theology is manmade, Jesus never taught external things, and neither will the Father's faithful sons. Jesus teachings are spiritual! Many Christians are greatly upset to learn that the denominational doctrines are brain storms of men foisted upon the scriptures from the outside. Even today many are building up and promoting ministries, that they may shine above others.

To participate in Jesus high priesthood ministry there must be a constant communion in the heart with Father, and union with Him so deep that life flows into life, purpose into purpose, mind into mind, a union of life and love. We must have a vital intimate connection with Father's own person to understand how He operates with us non-physically.

The Father is beginning to shake everything devoid of kingdom character. He is requiring a re-evaluation of us all. Father requires that we get in line with His preoccupation, His astronomical view fashioned by the "blood of the everlasting Covenant." Heb. 13:20, 21. The Father is liquidating the old administration in order to establish a New. Heb.10:9. As in the

past the Father is on the threshold of liquidating man centered ministries by no name prophets. 1 Sam.

2:27-36.

I am concerned that most of God's family are entering this new day with yesterdays tools. The Lord showed me a covered wagon, and there was a boundary keeping the people in the wagon from where we were. Then He showed me that we were to help them over the boundary to where we are. And we did move them over to this side. In the natural, the third world countries are in that condition as compared to America. But this is spiritual. There are more sophisticated qualities that are your true inheritance. "We are heirs of God, and joint heirs with Christ."

Saints, the King of glory is here and has declared He will win this crisis through us. So arise radiantly in the nuclear fire of His intense energy, which is part of His equipment to meet every crisis. We being the "offspring of God," and the expression of Him have a limitless destiny before us. The Father's new day grace adds spiritual equilibrium. It erases our human defects, giving "beauty for ashes," and admiration in the sight of men and angels on that high plane. Isaiah 61.

His light is exterminating the darkness, and His illuminate brightness is lighting up our "earthen vessel." We must focus on the "Treasure in this earthen vessel," which is our own built in spiritual electrical power plant, which is needful to function in this day, or it will be like trying to fly a space craft from a "do it yourself kit." God bless all of you abundantly.
